L-com Low Profile Right Angle Adapter DB25 Male / Female

Stock Level: **Product in stock**

\$29.00 + GST

Description

L-com Low Profile Right Angle Adapter, DB25 Male / Female, Cable Exit 1. Connecting cables in tight spaces can be a problem in many applications. These low-profile right-angle D-Sub adapters solve this problem by allowing cables to be connected at a 90 degree angle. Three versions are available for each connector size allowing for cables to exit in opposite directions. Adapters are male to female, fully shielded and are over moulded with grey PVC. Mating hardware is reversible allowing for use in virtually any application.

Features

Allows cables to mate at a 90 degree angle to avoid nearby obstructions

One inch low profile for optimum clearance allowance

100% shielding throughout for protection against EMI/RFI

Gold contact plating provides reliable connections with repeated mating cycles

Connector options are DB9, DB15, DB25, DB37 or HD15 male to female with three exit orientations

Useful for D-Sub confined space
