Description

Ubiquiti POE-24-24W-G 24V DC Gigabit PoE Supply, 24V Power over Ethernet Power Supply designed by Ubiquiti. The POE-24-24W-G (24VDC @ 1A) 24 Watt features earth grounding/ESD protection, power LED and LAN LED. The remote reset capability is very useful for factory resetting Ubiquiti radios installed up poles or on roofs.

Specifications

Details

Manufacturer's Product Code	POE-24-24W-G
Input Voltage	90-260VAC @ 47-63 Hz
Output Voltage	24VDC @ 1.0A
Operating Temperature	0 to 40° C
Rating	Indoor
Input Connector 1	3 Pin Clover Lead
Input Connector 2	RJ45 Female
Output Connector 1	RJ45 Female
Reset Button	Yes
