DOWNLIGHT 4 INCH

—

LIFX 4" Downlight Kit is the Wi-Fi enabled LED light with 16 million colors, including warm to cool whites—**no hub required.**

(Not available in Canada or USA)

FEATURES

Easy set up. LIFX replaces your original light, pop in, wire up, and secure with tabs. Simply download the app, connect to Wi-Fi and you're ready to go. No hub needed.

Built in Wi-Fi & LIFX Cloud. Offers full lighting control via Wi-Fi with our LIFX iOS, Android and Windows 10 apps. Access your bulbs anywhere, anytime via the cloud.

Adjustable and dimmable. Connected lighting for your space, time of day, and mood. Choose from 16 million colors and a full range of warm to cool whites with flexibility to select your brightness as well. Experience how subtle adjustments in tone and brightness can enhance the comfort of any room.

Intuitive Control. Control lights individually or as groups, set timers, pick from beautiful themes or create your own custom scenes.
