

# LIFX

LIGHTING  
REIMAGINED.

## LIFX + A19

—

LIFX + is the brightest Wi-Fi enabled LED light bulb with 16 million colors, including warm to cool whites and infrared for night vision—**no hub required**.

LIFX works with leading voice and smart home platforms.

### FEATURES

**Easy set up.** LIFX screws in like any traditional light bulb. Simply download the app, connect to Wi-Fi and you're ready to go. No hub required.

**Built in Wi-Fi & LIFX Cloud.** Offers full lighting control via Wi-Fi with our LIFX iOS, Android and Windows 10 apps. Access your bulbs anywhere, anytime via the cloud.

**Adjustable and dimmable.** Connected lighting for your space, time of day, and mood. Choose from 16 million colors and a full range of warm to cool whites with flexibility to select your brightness as well. Experience how subtle adjustments in tone and brightness can enhance the comfort of any room.

**Bright & Efficient.** LIFX has an output of 1100 lumens, the equivalent of a 75 Watt traditional incandescent bulb with the benefit of only 11W energy use.
